Switch Player Controls

Hold down **L+R** and press **Y** to switch between Player 1 and Player 2 controls.

Note: This is a single-player game, so you will not be able to control the game with Player 2 controls.

Sleep Mode

Close your Nintendo 3DS system during play to activate Sleep Mode, greatly reducing battery consumption. Reopen the system to resume play.

Getting Started

Press **START** on the title screen to display the file-selection screen. Press **SELECT** to choose a file, and press **START** to confirm your selection. The game will begin after you select a file. On your first play, press **START** to select Register Your Name. Enter your name and press **SELECT** to move the cursor to End. Press **START** to finish registering your name.

Saving Your Game

There are two ways to save your game progress:

- Select Save from the game-over screen, and press **START** to confirm.
- To save your progress midgame, press **START** to access the menu. Switch to Player 2, then press **+** and **(A)** simultaneously to access the save screen. After switching back to Player 1, select Save from the menu, using **Y** or **SELECT** to navigate, and press **START** to confirm.
