Options

View staff credits, delete data (page 5), and access the Kirby™:
Triple Deluxe page on the Nintendo eShop.

**eShop**

Quit the game and go to the Nintendo eShop software information page for Kirby: Triple Deluxe (Download Version) to purchase the software.

◆ For further details on Nintendo eShop, please refer to the Nintendo eShop electronic manual.

**New Features**

This software is based on the minigame Kirby Fighters from Kirby: Triple Deluxe, with the following main differences:

● More stages, including a boss stage.

● Ability to battle as part of a team. New battle-specific controls and items.

● Save data is specific to this software. You cannot transfer save data between Kirby Fighters Deluxe and Kirby: Triple Deluxe.
Saving and Deleting Data

Saving Data

Your progress, including your total clear time, will be saved automatically when you clear a single-player game.

Deleting Data

Select Delete Data on the options menu to delete data. Data cannot be recovered once deleted, so please be careful.

Data can be lost due to user action, such as repeatedly powering off and on the system or removing a Game Card or SD Card while saving. Data loss may also be caused by poor connectivity due to dirt or dust in the system's ports. Please be aware that in these cases data cannot be restored.
You can control Kirby using either + or ○.

Spin to evade enemy attacks.

In single-player and training modes, press \[ START \] or tap Pause during play to display the pause menu.
More Settings

The creator of the group can press on the player-settings screen to display more settings. Adjust various settings, such as the appearance rate of items, or whether or not Ghost Kirby is enabled.
**Ghost Kirby**

If you set this to Enable, then even if you are defeated, you will be able to continue fighting as Ghost Kirby. Attack a Kirby opponent to bring yourself back to life!

**Rules**

Make use of your Copy Ability and any items that appear as you do battle with other Kirbys. The last Kirby standing is the winner.

**Guarding**

If you hold the Guard button, the Guard meter will appear. This meter will be depleted as you continue to Guard. When it is fully depleted, you will become stunned and unable to move for a short period of time.
**Action Star**

These may appear a short time after the battle begins. Hit them to see what happens!
- A number of recovery items may rain down.
- All your opponents may fall asleep.
- Or something completely different!

**Team Battles**

Team up with other Kirbys, and enter into battle. The first team to defeat all the opposing team's Kirbys is the winner.

**Team Cannon**

When you and another Kirby on your team have teamed up on the Team Cannon, it will begin to charge. Press ® when fully charged to fire it. The cannon will fire automatically if you do not press anything soon after it has charged.
Item Share

Approach your buddy shortly after you pick up certain items to share their effects.
You can battle against a maximum of three other players. If each player has the game, you can battle using Local Play. You can otherwise use Download Play to battle each other.

⭐️ You Will Need:

- One Nintendo 3DS system per player (maximum of four systems).
- At least one Kirby Fighters Deluxe game.

Players using Kirby Fighters Deluxe cannot play a Local Play battle against players using Kirby: Triple Deluxe.

Multiplayer (Local Play)

Create a group and wait for other players, or join an already created group.
Creating a Group

1. On the mode-selection screen, select Multiplayer and then Create Group.
2. Once all players' names have appeared, select Start to begin the battle.

Joining a Group

On the title screen, select Multiplayer. Select a group to join.

Multiplayer (Download Play)

Join a group to begin battling.

- When using the Download Play feature, your options will be limited.
Joining a Group

1. On the HOME Menu, touch the Download Play icon and then Open.
2. Select the Nintendo 3DS logo.
3. Tap the name of the software.
   - A system update may be required. If so, follow the on-screen instructions to update your system. If you see the message "The connection was interrupted" and the system update fails, try updating the system via System Settings. For detailed instructions, refer to the System Update page within your system's operations manual.
   - The system will not go into Sleep Mode during communication.
