Support Information
Thank you for selecting the NES™ Remix Pack game for the Wii U™ system.

Please read this manual carefully before using this software. If the software will be used by children, the manual should be read and explained to them by an adult.

Also, before using this software, please read the content of the Health and Safety Information application on the Wii U Menu. It contains important information that will help you enjoy this software.
This software can be used with any of the following controllers once they have been paired with the console.

- Only one Wii U GamePad controller can be used.
- A Wii Remote™ Plus controller can be used instead of a Wii Remote controller.
- You can use a Classic Controller™ instead of a Classic Controller Pro™.

**Pairing Controllers**

From the HOME Menu, select **Controller Settings** to display the screen shown to the right. Select **Pair**, and then follow the on-screen instructions to pair the controller.
Internet Enhancements

Connecting your system to the Internet lets you enjoy the following features:

・Use the Miiverse™ feature.
・Purchase Virtual Console™ titles.

See the Internet Connection Requirements section of the printed Wii U Operations Manual for more information about the equipment required to connect to the Internet. Once you have all the required equipment, select Internet from (System Settings) in the Wii U Menu to configure an Internet connection.
Note to Parents and Guardians

You can restrict use of the following features by selecting 🎁 (Parental Controls) from the Wii U Menu.

What are the Nintendo World Championships?

The Nintendo World Championships was a special video-game tournament held across America in 1990. Players competed for the highest total score across three different games, all within a time limit of 6 minutes and 21 seconds!
Selecting a Stage

Choose which challenge to tackle by scrolling between all available games and stages.

1. Total stars
2. New icon
3. Number of stars earned in the selected game
4. Number of stars earned on the selected stage
5. Stamp Collection icon
6. Playback icon

Watch automatically recorded videos of you playing through each stage.

- This feature is only included in NES Remix 2.
- If the video is too long, it might get cut off before the end.
Stage-Selection-Screen Controls

The controls below are listed in the following order: Wii U GamePad / Wii U Pro Controller / Wii Remote / Classic Controller Pro.

◆ If using a Wii Remote, hold it horizontally.

Go to Nintendo eShop and check out the Virtual Console content.

When this is present, you will receive twice as many Bits for playing this game.
### Types of Stages

Stages with this symbol require you to complete the previous stage.

Stages with this symbol are unlocked by collecting stars. These are unlocked in order from top to bottom. Select the next unavailable stage to see how many stars you need to unlock it.

### Watch Gameplay Demo

Several games have their own gameplay videos located above the first stage. Each video will show you how the selected game is played, including specific controls.

◆ This feature is only available in NES Remix.
Play stages from classic NES games that have been reworked with exciting new rules and objectives. More stages will become available as you progress.

Clearing a Stage

Stars are awarded based on how quickly you cleared the stage, and Bits are awarded for a first-time clear or when you fulfill other clear conditions. Earn more stars to unlock additional Remix stages and gain access to more game titles. Earn Bits to unlock more stamps, which can be used when posting to Miiverse.

Game Over

If you run out of time or your life is depleted, the Game Over screen will appear. You won't earn any stars, but you will receive a few Bits.

Save Data

The game will save automatically each time you finish playing a stage.
Using Miiverse

If you allow the use of Miiverse™ after starting this software, the following functions will become available.

For more information about Miiverse, refer to the Miiverse section of the Wii U Electronic Manual. To display the Wii U Electronic Manual, press © while on the Wii U Menu to go to the HOME Menu and then touch 🎮.

View Posts

If you select a stage on the stage-selection screen, you'll be able to see Miiverse posts about that stage. If the user who wrote the post also cleared the stage, the user's clear time and the number of stars earned will be displayed beneath the post. For NES Remix 2, if you select the icon, you can also see their replay footage.

Posting
If you touch the Miiverse post button, you can post text or handwritten notes to Miiverse about the stage you have selected. When writing a handwritten post, you can also touch the Stamp Collection icon to use the stamps you’ve unlocked. If you’ve cleared that stage, your clear time and the number of stars you received will also be added. In NES Remix 2, replay footage will also be added whether you cleared the stage or not.

◆ You need to connect to the Internet and set up Miiverse beforehand.

**Stamp Collection**

Open your Stamp Collection to view all of the stamps you've collected so far. You can also touch the Miiverse post button from here and create a new post!
Purchasing Virtual Console Titles

You can purchase and download the original, full versions of the games featured in NES Remix and NES Remix 2 from the Virtual Console service in Nintendo eShop. Touch the Nintendo eShop icon on the stage-selection screen to view a list of Virtual Console games.

For more information about Nintendo eShop, refer to the Nintendo eShop Electronic Manual. After touching the icon to open Nintendo eShop, touch My Menu, then Help, and then eShop Manual.
