Thank you for selecting the New Super Mario Bros.™ U game for the Wii U™ console.

Please read this manual carefully before using this software. If the software will be used by children, the manual should be read and explained to them by an adult.

Also, before using this software, please read the content of the Health and Safety Information application on the Wii U Menu. It contains important information that will help you enjoy this software.
2 Supported Controllers

This software can be used with any of the following controllers once they have been paired with the console.

Wii U GamePad  |  Wii Remote

Up to five people can play together. This requires one Wii U GamePad and up to four Wii Remote™ controllers (sold separately).

Pairing Controllers

From the HOME Menu, select **Controller Settings** to display the screen shown to the right. Select **Pair**, and then follow the on-screen instructions to pair any controllers.
Connect to the Internet to use SpotPass™ and Miiverse™.

◆ Additional courses will be available for purchase. For details, please see the official Nintendo website.
◆ See the Internet Connection Requirements section of the Wii U Operations Manual for more information about the equipment required to connect to the Internet. Once you have all the required equipment, select Internet from (System Settings) in the Wii U Menu to configure an Internet connection.
You can restrict use of the following features by selecting 🌸 (Parental Controls) from the Wii U Menu.

Access to this game (as well as other games) can be restricted through the **Game Rating** option in Parental Controls.
Playing Alone

This game can be played with 🎮 (Wii U GamePad) or 🍄 (Wii Remote).

Play while watching the 🎮 screen.
◆ You can play without looking at the TV.

Play while watching the TV screen and holding 🍄 horizontally.

Playing with Friends

When two to five people are playing, actions available to you depend on the controller you are using.

Wii Remote

Take control of a character.
◆ Each player needs to use 🍄.
Help out your friends with Boost Mode 13.

- When using the GamePad alongside other players who are using Wii Remote controllers, you cannot control a character.

A maximum of five people ( +  +  +  +  + ) can play simultaneously.

Each course has a Checkpoint Flag and a Goal Pole.

**Checkpoint Flag**

Touching this will allow you to retry from this point after losing a life.

◆ If you enter a different course, you will lose your checkpoint in the current course.
◆ If you touch a Checkpoint Flag for the first time as Small Mario, you will transform into Super Mario™.

**Goal Pole**

Grab on to this to clear the course.

**Losing a Life**

Mario will lose a life if he:

- Takes damage as Small Mario or Mini Mario.
- Falls into a pit or other hazard such as lava or poison.
- Runs out of time.
If Mario loses all of his lives, it's game over. You can then restart at your last save point with five lives.

**Super Guide**

If you lose a life on the same course five times, a Super Guide Block will appear. Hit the block to have Luigi™ clear the course for you.

- Super Guide Blocks will only appear when playing alone.
- There may be times when the graphics and music go out of sync.
Co-op Play

Two to four people can play cooperatively. You’ll be able to perform even more actions together, and you can even go into a bubble to avoid enemies.

Adding Players

Add players to your adventure at any point during a course by pressing on .

Entering a Bubble

Press to enter a bubble. You won’t take damage while inside a bubble. To burst out of the bubble, shake to float closer to other players and touch them.

◆ If all players go into a bubble, you will be returned to the World Map without losing a life.
◆ Bubbles can only be used in Story Mode.

Losing a Life

After losing a life, you can return to the course in a bubble, provided you have at least one life remaining. The following situations will cause all players to return to the World Map:

• All players lose a life at the same time.
• The last player in the course loses a life or enters a bubble.
Use 🟢 to help out your friends in a variety of different ways.

**Placing Boost Blocks**

Touch the 🟢 screen to place up to four Boost Blocks at any given time.

**Super Boost Mode**

If your friends step on 10 Boost Blocks consecutively, a Boost Star will appear. The player with 🟢 can tap the Boost Star to become temporarily capable of defeating enemies and hitting blocks.

- Boost Blocks must be stepped on while they display a playing-card symbol (like ❤️).

**Disrupting Enemies**

Some enemies will be surprised and stop in their tracks if you touch them.
Disrupting Objects

Touch lifts or other contraptions to temporarily halt them or cause other effects.

Bursting Bubbles

Burst a bubble by touching it.
This game allows you to share your game experiences with players from all over the world via Nintendo Network.

◆ Miiverse features will become available as you progress through the adventure.
◆ Broadband Internet access is required.
◆ You must activate and configure the Miiverse application beforehand.
◆ For more information, please start the Miiverse software and select Settings/Other ⇒ Manual.

Posting to Miiverse

1 During certain points in story mode, a screen like the one on the right will appear.

Reasons to Post

- Repeatedly losing lives on the same course → Vent your frustration!
- Clearing a course with grace and style → Share your joy!
- And more...

2 Follow the on-screen instructions to post your thoughts to Miiverse. Your post will be displayed for other players on the World Map or when a player loses a life during a course.
Viewing Other Players' Posts

World Map

📍 will be displayed wherever there is a post. When playing the game on the TV screen, the contents of the post will also appear on the Wii U GamePad.

When Using a Wii Remote

View posts by pressing A to go into map view.

Action Screen

1. Lose a life in the same way as other players who made posts.
2. Posts from all of those players will be displayed.

Collecting items such as the Super Acorn will transform Mario into one of several different forms and give him special abilities.

- Being hit by an enemy will cause Mario to lose his powers.
- There may be places you can only reach with certain powers.

- Luigi and the Toads are able to transform in the same way as Mario.

Freeze enemies by throwing ice balls at them.
Mini Mario

Transform with a Mini Mushroom.
You can get through tight spaces and dash over water in this form. You can even run up walls! However, Mario's attacks will be weak, so you can only defeat enemies by ground-pounding.

◆ Taking damage in this form will cause Mario to lose a life.
If you find an egg 🍳, Yoshi will hatch out of it. Jump on Yoshi's back to ride him.

If Yoshi takes damage, he will run away, but you can ride on him again if you manage to catch up with him.

**Eating Fruits**

Each time Yoshi eats a fruit, the meter will build up. Once it's full, Yoshi will lay an egg and an item will hatch from it.

**Taking Damage**

If Yoshi takes damage, he will run away, but you can ride on him again if you manage to catch up with him.
Baby Yoshi
