Note: You can press \( \text{\textbf{S}} \) to leap and hit balls that are slightly out of reach.

**SHOT TYPES**

- **Toppin**
  - A quick, arcing shot with a forward spin and high bounce.
- **Flat Shot**
  - The fastest shot. It has no spin.
- **Slice**
  - A low-trajectory shot with a backward spin.
- **Lob**
  - A shot with an extremely high arc that aims for the back of the court.
- **Drop Shot**
  - A shot with little bounce that aims for the front of the court.

**RETURNING**

- **Chase the ball**
- **Stop and charge up energy**
- **Take your shot**

**LEARNING THE GAME**

**WHAT YOU’LL NEED**

- **Nintendo 3DS systems**........1 per player (maximum of 4)
- **Mario Tennis Open Game Cards**...At least 1 (maximum of 1 per player)

**CREATING A ROOM**

**ONE PLAYER WITH A GAME CARD**

1. Select Local Multiplayer and then Create Room.
2. Once all of the players’ names appear in the list, tap Start and follow the on-screen instructions to proceed.

**PLAYERS WITH THEIR OWN GAME CARDS**

1. Select Local Multiplayer and then tap the group you want to join, following the on-screen instructions to proceed.

**PLAYERS WITHOUT THEIR OWN GAME CARDS**

1. Select Download Play ( \( \text{\textbf{L}} \) ) at the HOME Menu, and then tap Open to launch it.
2. Tap the Nintendo 3DS logo, and then select Mario Tennis Open. (A player with the Game Card must create a room before Mario Tennis Open will be shown in the list.)
3. Wait for the game to start.

**EXHIBITION**

You can play Exhibition matches with up to three friends from your friend list. Follow the on-screen instructions to create a room, assemble or join a group, and begin playing.

You can register friends by accessing your friend list ( \( \text{\textbf{F}} \) ) from the HOME Menu. Please see the Nintendo 3DS Operations Manual for more information about friend lists.

**OPEN MATCH**

Take on players from across the region in singles play, and see how you stack up by comparing your rating with other players. Follow the on-screen instructions to play.

Your rating is an evaluation of your skill as a player. All players begin with a rating of 2000. If you win matches, your rating will go up. If you lose matches, it will fall.

**ONLINE PLAY**

You can connect via the Internet to play with players online.

**VIEWING THE INSTRUCTION MANUAL**

Please read the electronic instruction manual for a more detailed explanation of the various features of this game. Select Mario Tennis Open from the HOME Menu, and then tap Manual to open the instruction manual. Please also be sure to read your Nintendo 3DS Operations Manual.
**WARRANTY & SERVICE INFORMATION**

Nintendo of America Inc. ("Nintendo") warrants to the original purchaser that the hardware product shall be free from defects in material and workmanship for twelve (12) months from the date of purchase. If a defect covered by this warranty occurs during this warranty period, Nintendo will repair or replace the defective product, free of charge.*

This warranty is only valid in the United States and Canada.

**HARDWARE WARRANTY**

Nintendo warrants to the original purchaser that the hardware product shall be free from defects in material and workmanship for twelve (12) months from the date of purchase. If a defect covered by this warranty occurs during this warranty period, Nintendo will repair or replace the defective hardware product, free of charge.*

This warranty gives you specific legal rights. You may also have other rights which vary from state to state or province to province.

**LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR EXCLUSION OF CONSEQUENTIAL OR INCIDENTAL DAMAGES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.**

To activate the StreetPass™ feature, your Mii™ character data will be exchanged with other players automatically, allowing you to play two types of games.

**ACTIVATING STREETPASS**

When you play the game for the first time, you will be asked if you want to activate StreetPass. Please follow the on-screen instructions to activate it if desired. After you meet someone via StreetPass, you will see an indicator in the file-selection screen. You can change the setting at any time by selecting StreetPass Setting from the StreetPass menu and choosing Activate or Deactivate.

If you activate the StreetPass™ feature, your Mii™ character data will be exchanged with other players, automatically allowing you to play two types of games.

**STREETPASS MATCH**

Play a singles match against the Mii character of the player you met.

You can earn coins by playing the two types of StreetPass games. Those coins can be spent at the item shop to purchase new outfits for your Mii character.

**RING SHOT**

Cooperate with the Mii character of the player you met to play Ring Shot.

You can coordinate your outfit and accessories!

---

**WARNING - REPETITIVE MOTION INJURIES**

Playing video games can make your muscles, joints, or skin hurt. Follow these instructions to avoid problems such as tendinitis, arthritis, carpal tunnel syndrome, or dry skin.

- Avoid excessive play. Parents should monitor their children for appropriate play.
- Take frequent breaks. The recommended break is every 10 to 15 minutes.
- Play with a break. If your hands, wrists, or arms become tired or sore while playing, or if you feel symptoms such as tingling, numbness, burning or stiffness, stop and rest for several hours before playing again.

---

**WARNING - EYESTRAIN AND MOTION SICKNESS**

Playing video games can result in eyestrain after a sustained period of time, and perhaps sooner if using the 3D feature. Playing video games can also cause discomfort, such as eyestrain, eyestrain, and clicking.

- If you continue to have any of the above symptoms, stop playing and see a doctor.
- If your eyes become tired or sore while playing, or if you feel dizzy or nauseated, stop and rest for several hours before playing again.
