NINTENDO 3DS

Enjoy total freedom in a whole new world!

# Are you new to the world of Animal Crossing?

An idyllic world awaits you in Animal Crossing,  
where you move into a new town,  
then enjoy life however and whenever you please!

Do as much or as little as you like,  
watching the seasons change as the days, weeks and months pass.

Make friends, have fun with animals and use your  
imagination to create the perfect town!

Welcome to the world of Animal Crossing...

# Animal Crossing: New Leaf – What's new?

Welcome to town... Mayor! With your new mayoral powers, spend as much or as little time as you like creating the perfect place to live! Spend time building public works projects to improve the town, or pass ordinances that suit the way you play the game. How much you do is up to you! Relax on a tropical island, visit new shops, discover new ways to customise your clothes and home – both inside and out! – meet many new faces and more besides. There's so much more to see and do!

Become mayor  
of your own town!

Create the house  
of your dreams!

Collect brand  
new furniture!

Dress  
to impress!

Pop to the shops  
on Main Street!

Take a break  
at the island resort!

See the next pages for details →

## Become mayor of your own town!

After a mix-up at the train station, you're inducted as the new mayor of the entire town!

First, we should plant a symbolic tree for the town!

## Improve the town with public works projects!

Create and fund projects like decorations and buildings. It's entirely up to you which ones you decide to build!

Build bridges!

Open up a new café!

Create a unique town!

There are many different types of decoration that you can create using public works projects.

## Lay down the law!

Enact ordinances at the town hall to suit your own play style. You can fight weeds and keep your flowers blooming, give your town a feeling of wealth and even decide whether shops open early or close late!

Keep shops open late into the night!

Create a town that shows off your own unique style!

## Create the house of your dreams!

## Change house designs!

Visit Nook's Homes and buy new designs to change how the outside of your house looks!

## Collect brand new furniture!

Animal Crossing: New Leaf not only has a huge amount of new furniture, but also allows you to put items on walls – clocks, paintings and more! Collect themes to bring your home together or just buy the items that suit your personality... your choice!

## Create your own style!

Visit Cyrus at Re-Tail, the recycling shop, and get him to apply new colours and designs to your old furniture. Give unwanted items a whole new look!

## Add your own designs to furniture!

Create one-of-a-kind pieces by applying custom designs to your items!

## Every day, something special!

From new visitors arriving in town and local events to seasonal festivals mirroring the real world, there's always something to do and see!

Fishing Contest

Jan to May  
Oct to Dec

Bug Contest

June to Sept

Harvest Festival

November

Toy Day

December

## Dress to impress!

Expand your style with all kinds of new fashion options. Pick outfits that suit the season or your mood!

Tops, trousers, dresses, shoes and socks combine for the ultimate look!

Get a new hairstyle and even pick out coloured contact lenses!

## Pop to the shops on Main Street!

To the north of town, you'll find Main Street – a hive of shopping activity! There's also a museum and plenty of scope for the development of even more buildings...

Stop here for cutting-edge fashion!

Able Sisters

A huge range of fabulous footwear!

Kicks' Shoe Shop

Plenty of green-fingered goodies!

Leif's Garden Shop

For all your household needs!

Nookling Junction

The only estate agent in town!

Nook's Homes

Dance the night away!

Club LOL

And many more!

## Play along with your friends!

## Get together in your town

Local Play  
Internet\*

Have your friends over to see your town or get on the train to visit theirs! Up to four players can have fun together in a town at once.

## HH Showcase

StreetPass

Use StreetPass to meet other players and their houses will appear in the HH Showcase – go meet them north of Main Street and check out their interior design to get some tips for what you can do!

See furniture you like? Order it from the HH Showcase catalogue!

## Dream Suite

Internet\*

Once you've built the Dream Suite, you can use it to visit towns from all over the world... even those belonging to people that you've never met!

It's only a dream... you can play to your heart's content!

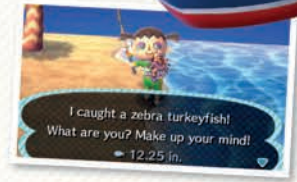

## Set sail for a tropical island!

Local Play  
Internet\*

Travel across the ocean in Kapp'n's boat with your friends and visit Tortimer Island, where it's always summer no matter what time of year it is!

## Also enjoy Tortimer Island alone!

Explore a sun-filled tropical paradise

Buy souvenirs that are only for sale on the island

Catch rare bugs and fish

Go swimming in the ocean!

## Enjoy mini-games and earn medals!

Play with friends locally or over the Internet.

See at [www.nintendo-europe.com](http://www.nintendo-europe.com) for information on how to connect to the Internet.

\* A wireless Internet connection is required for online play.

Live life in Animal Crossing: New Leaf however you please... every day, there's something new to discover!

Life in Animal Crossing: New Leaf passes by in real time, matching the world around you. When you play alters what's happening in your town!

The download version makes it easier to visit your town every day of the year!

## What is a download version?

Download versions are identical to games that come on Nintendo 3DS Game Cards, but are stored and played on the SD Card of your Nintendo 3DS system.

Play the game whenever and wherever you like... no Game Card required!

Note:  
The save data for the game is also stored on the SD card of your Nintendo 3DS system

## Why should I get the download version?

With the download version, Animal Crossing: New Leaf will always be available from the HOME Menu of your Nintendo 3DS system. No need to swap the Game Card if you want to play another game!

Never worry about losing your Game Card again!

Purchase the game any time, day or night!

The download version of Animal Crossing: New Leaf will be available from Nintendo eShop at midnight on the day of release.

Please see the official Nintendo website for details of how to purchase Download Versions from Nintendo eShop.

## Important information about download versions of games

A wireless Internet connection is required to **download this title from Nintendo eShop.**

Downloading this title may take some time; completing the process while charging your Nintendo 3DS system is recommended.

**Sufficient free space** is required on your SD Card.

1GB (8,192 blocks) of free space is required on the SD Card to save the download version. If you don't have enough free space, you can purchase a high-capacity SD Card (Nintendo 3DS supports SD Cards of up to 32GB).
