Thank you for selecting NINTENDO PRESENTS: NEW STYLE BOUTIQUE™ for Nintendo 3DS™.

This software is designed only for use with the European/Australian version of the Nintendo 3DS system.

Please read this manual carefully before using this software. If the software is to be used by young children, the manual should be read and explained to them by an adult.

Before use, please also read the Operations Manual for your Nintendo 3DS system. It contains important information that will help you enjoy this software.

- ◆ Unless stated otherwise, any references to "Nintendo 3DS" in this manual refer to both Nintendo 3DS and Nintendo 3DS XL systems.

Health and Safety Information

IMPORTANT

Important information about your health and safety is available in the Health and Safety Information application on the HOME Menu.

To access this application, touch the  icon on the HOME Menu, then touch OPEN and read the contents of each section carefully. When you have finished, press  HOME to

return to the HOME Menu.

You should also thoroughly read the Operations Manual, especially the Health and Safety Information section, before using Nintendo 3DS software.

For precautions related to wireless communication and online play, please refer to the Operations Manual, "Health and Safety Information".

Information Sharing Precautions

When sharing content with other users, do not upload/exchange/send any content that is illegal, offensive or could infringe on the rights of others. Do not include personal information and make sure you have obtained all necessary rights and permissions from third parties.

Language Selection

The in-game language depends on the one that is set on the system. This title supports five different languages: English, German, French, Spanish and Italian. If your Nintendo 3DS system language is set to one of these, the same language will be displayed in the software. If your Nintendo 3DS system is set to another language, the in-game default language will be English. For instructions about how to change the system language,

please refer to the System Settings electronic manual.
