Thank you for selecting
New SUPER MARIO BROS.™ U for Wii U™.

This software is designed only for use with the
European/Australian version of the Wii U console.

Please read this manual carefully before using this
software. If the software is to be used by young
children, the manual should be read and
explained to them by an adult.

Before use, please also read the content of the
 Health and Safety Information application on
the Wii U Menu. It contains important information
that will help you enjoy this software.

Language Selection

The in-game language depends on the one that
is set on the console. This title supports eight
different languages: English, German, French,
Spanish, Italian, Dutch, Portuguese and
Russian.

You can change the in-game language by
changing the language setting of your console.
You can change the console language in
 System Settings.

1-Up Mushroom

Grab one of these to gain an extra life.

Star Coin

Each course contains three Star Coins. Collect them and something good might happen!

POW Block

Hit or throw this to create shockwaves that defeat all grounded enemies on-screen.

◆ You'll come across many other items and contraptions as you play.

In general, each course has a Checkpoint Flag and a Goal.

Checkpoint Flag

Touch this to retry from this point after losing a life.

- ◆ If you enter a different course, you will lose your checkpoint in the current course.
 - ◆ Touch a Checkpoint Flag for the first time as Small Mario and you will transform into Super Mario.
- 17
- ◆ Checkpoint Flags do not appear in New SUPER LUIGI U.

The Goal

Grab onto the Goal Pole to clear a course.

Losing a Life

Mario will lose a life when:

- taking damage as Small or Mini Mario.
- falling into a hole or other hazard.
- the timer reaches zero.

Game Over

If Mario loses his last life it's Game Over and you will restart from your last save with five lives.

Super Guide

If you lose a life on the same course five times in a row, a Super Guide Block will appear. Hit the block to have Luigi clear the course for you.

- ◆ A Super Guide Block will only appear when playing alone in New SUPER MARIO BROS. U.
- ◆ There may be times when the graphics and music go out of sync.

Two to four people can play on screen cooperatively. You'll be able to perform even more actions together

→ 16 and you can even go into a bubble to avoid enemies.

Adding Players

Add players to your adventure at any point during a course by pressing ⊕ on the Wii U GamePad.

- ◆ While playing New SUPER LUIGI U, you cannot add players to your game when chasing Nabbit through a course, or when fighting enemies you have bumped into on the World Map.

Going into a Bubble

Press ⊖ / ⊕ to go into a bubble. While inside a bubble you won't take any damage. To burst out of the bubble, press ⊞ / shake the Wii Remote to float closer to other players and touch them.

- ◆ If all players go into bubbles, then you will be returned to the World Map without losing a life.
- ◆ Entering a bubble manually can only be done in story mode.

Losing a Life

After losing a life, you can return to the course in a bubble, provided you have at least one life remaining. The following situations will cause all players to return to the World Map:

- all players lose a life at the same time.
- the last player in the course loses a life or

enters a bubble.

Use the Wii U GamePad to help out your friends in a variety of different ways.

Placing Boost Blocks

Touch the GamePad screen to place up to four Boost Blocks at any given time.

Boost Blocks will become smaller when a player gains 99 lives.

Super Boost Mode

If your friends step on ten Boost Blocks then the Boost Star will appear. Touch the star to become temporarily capable of defeating enemies and hitting blocks.

- ◆ To do this, Boost Blocks must be stepped on while they display a playing card symbol (like )

Hinder Enemies

Some enemies will be surprised and stop in their tracks if you touch them.

Disrupt Mechanisms

Touch lifts or other contraptions to temporarily halt them, or cause other effects.

Bursting Bubbles

Burst a bubble by touching it.

You can post your game experiences and share them with players connected to Miiverse from many different countries.

- ◆ Miiverse features will become available as you progress through the adventure.
- ◆ You must have an internet connection and set up the Miiverse software beforehand.
- ◆ For more information, please start the  Miiverse software and select USER MENU ⇒ SETTINGS/ OTHER ⇒ MANUAL.

Posting to Miiverse

- 1 During certain points in story mode, you will see the screen on the right.

Reasons to Post

- Repeatedly losing lives on the same course → Vent your frustration!
- Clearing a course with grace and style → Share your joy!
- And more...

- 2 Follow the on-screen instructions to post your feelings to Miiverse. The post will be displayed on the World Map or when a player loses a life during a course.
