

# How to create your own hotel pamphlet

Please print out the downloaded PDF onto A4 paper. If you put it together with the instructions listed on the right, you'll have a small pamphlet that fits inside the game case.

What you'll need:

- Scissors
- Glue or a glue stick

## SAFETY FIRST!

Ask a grown-up to help you assemble the hotel pamphlet.

Cut along this line

----- Mountain fold line

----- Valley fold line

 Glue in these areas

**1** After cutting out the 3 sheets along the pink lines, stick them together with glue.

**2** Fold the 3 connected papers horizontally in half.

**3** Fold the half-folded papers into an accordion shape. It's easier to do this if you apply glue to the back of the folded paper.
