⚡ Connect Your World!

Select CONNECT from the Title Screen and load your save data to expand your options with Nintendo 3DS communication features!

You Will Need:

- System in the Nintendo 3DS™ family One for each player
- INAZUMA ELEVEN® GO CHRONO STONES: WILDFIRE/THUNDERFLASH software One for each player

Challenge Each Other!

 Local Play

Up to 4 players can play in a single match! Choose MATCH and follow these steps:

- 1 Have one person choose HOST to set up a game, and the others JOIN to participate in that game.
- 2 Select your teams. (Your team formation, name, emblem and more can be set in advance in TACTICS.)
- 3 Decide on the rules, pitch and who's going to control which players, and get the match underway!

Trade Players!

 Local Play

Select TRADE to exchange players. Once you've connected to each other, pick the players you want to trade, spend the required Friendship Points and you're done. Fighting Spirits attached to traded players will be transferred too!

Compete via StreetPass!

 StreetPass

Select CHALLENGE to acquire other players' team data via StreetPass™ and play them in matches!

1 From the Challenge menu, select OWN CHALLENGE and then CHALLENGE TEAM to send a team of your own making to other players. You'll also be able to set a short note for them in CHALLENGE MESSAGE, so get creative!

Note: In StreetPass Challenge, details that you've entered (your save file name, team name and personal message) will be made public to other players. Please do not include any content that may infringe upon the rights of others, personal information or offensive language.

2 If you encounter another player with this game via StreetPass, you'll receive their team data. Afterwards, select RECEIVED CHALLENGES to play against that team!

Download Players and Special Moves!

 Internet

Select DOWNLOAD to receive items, new players for your team and more!

At certain times, new items and characters will be available for download! When your download is complete, check the in-game messaging feature InaLink for info. Downloaded items will be added to Raimon's school shop or sent to Mr Veteran (both found in-game).

Get Up to Speed!

 SpotPass

Select NOTIFICATIONS to use SpotPass™! SpotPass will function even while your system is in Sleep Mode and will let you connect automatically to the internet to download all kinds of info.

Note: You can restrict online interaction and/or StreetPass functionality via Parental Controls. For more information, refer to the Operations Manual for your system.

⚡ On the Pitch

When you come up against an opponent in a match or battle, you'll be shown a view of the pitch. You will mainly be using the stylus during this time.

You'll need your stylus for matches!
