Controls

● Parent button

Touch the Parent button during an activity to see how you can help your child with it. You can also touch the Parent button after selecting a book to display information about that book, for example which sounds or words to focus on.

● Back button

Touch this to return to the previous screen or to stop the current activity.

● Arrows

Touch these arrows to scroll around a large screen or to turn the page.

Study Tips

This icon indicates what to do next. Just touch where the finger is pointing.

This icon appears when a sound is about to play. Make sure you and your child are listening carefully.

This icon appears when it's your child's turn to speak, such as when recording their pronunciation. Face the microphone on the Nintendo 3DS™ system and speak loudly and clearly.

● Speaker icon

When this icon appears on the touch screen, touch it to play the sound.

● Magnifying glass icon

This icon appears on the top screen to point out important spots.

● Listen icon

Touch this to hear the sound that your child has to focus on during the activity.

● Speak icon

Touch this to record your child's voice. Make sure they speak loudly and clearly.

● My Voice icon

Touch this to play back a recording of your child's voice.

● Erase icon

Your child can touch this icon to erase letters or words they practise in the writing exercises.

Electronic Manual

Select the icon for this software on the HOME Menu and touch **MANUAL** to view the electronic manual. Please read this manual thoroughly to ensure maximum enjoyment of your new software.

This software title includes an electronic manual to reduce the amount of paper used in its packaging. For support, please consult the electronic manual, the Operations Manual for your system or the Nintendo website. The electronic manual is available in PDF format on the Nintendo website.

IMPORTANT: Please read the separate Important Information Leaflet.

Features

● Study Contents

Open the Study Contents to check your child's progress. In the Stamp Book, you can see which stamps your child has collected. Study Data will show you how well your child has done on each completed exercise.

● Collection

In the Collection, you can check the Card Book to find the Song Cards, Rule Cards and Vocabulary Cards your child has collected and use them to practise specific words and sounds your child has already learnt. You can also view the Stamp Book (see Study Contents) from here.

● StreetPass Records

Check study data for your child and other players they have met via StreetPass™. Through StreetPass, your child can exchange data on study progress with other players and send them an encouraging message.

● Mail

Enable SpotPass™ to receive regular messages from Kipper with helpful tips and encouragement for your child. Check your mails often!

Note: You can restrict StreetPass functionality via Parental Controls. For more information, refer to the Operations Manual for your system.
