

POKÉMON

MYSTERY DUNGEON

GATES TO INFINITY

HOW TO PLAY

Explore Mystery Dungeons!

Mystery Dungeons change every time you enter them. Battle enemies and use items to explore the dungeon and reach your goal!

Build your very own Pokémon Paradise!

Your Pokémon Paradise will be the home base for all your adventures. Prepare your land, build useful facilities, and develop it into a true paradise!

Work as a team to get the job done!

Form a party of up to four Pokémon and complete requests. When you finish a request, you'll be rewarded with items and 💰 (money), and you can move forward through the story.

USING COMMUNICATION FEATURES

You will be able to use communication features after progressing through the game.

Play Together with Friends (Local Play)

Visit each other's Paradise and complete requests together with a friend. Up to 4 players can participate. All players must have a copy of the software.

● You Will Need:

Nintendo 3DS™/Nintendo 3DS XL system. One for each player

Pokémon™ Mystery Dungeon:

Gates to Infinity Game Card. One for each player

● Setup

1. When you are in your Paradise in Companion Mode, select LOCAL WIRELESS.
2. To bring a friend to your Paradise, select CALL A FRIEND. To visit a friend's Paradise, select PAY A VISIT.

Rescue and Be Rescued by Others (StreetPass™)

If you activate StreetPass for your game, you can rescue another player when he or she faints in a dungeon, or another player can do the same for you. To communicate using this feature, all players must activate StreetPass for this software.

● Setup

Activating StreetPass

Investigate the Passerby Post in your Paradise. If you place a Reviver Seed in the post, you will be able to rescue another player by using StreetPass.

Deactivating StreetPass

To deactivate StreetPass, open the System Settings and select DATA MANAGEMENT, then StreetPass MANAGEMENT. Touch the icon for this software title, then select DEACTIVATE StreetPass.

Receive Notifications (SpotPass™)

Even when your Nintendo 3DS/Nintendo 3DS XL system is in Sleep Mode or you aren't playing this game, you can still receive notifications about additional dungeons by allowing your system to automatically search out and connect to wireless internet access points. You can activate this when you first start up the game, or select OTHERS from the menu and change your settings under SpotPass Settings.

Purchase Additional Dungeons (Internet)

If you select DLC (downloadable content) from the main menu, you will be able to purchase new dungeons by connecting to the internet. For information about connecting your Nintendo 3DS/Nintendo 3DS XL system to the internet, refer to the Operations Manual for your system.

Using your Nintendo 3DS/Nintendo 3DS XL system's Parental Controls, you can restrict the following functions:

- Use of credit cards and the purchase of goods and services
- StreetPass and internet access

Note: You can restrict online interaction and/or StreetPass functionality via Parental Controls. For more information, refer to the Operations Manual for your system.

Electronic Manual

Select the icon for this software on the HOME Menu and touch MANUAL to view the electronic manual. Please read this manual thoroughly to ensure maximum enjoyment of your new software.

This software title includes an electronic manual to reduce the amount of paper used in its packaging. For support, please consult the electronic manual, the Operations Manual for your system or the Nintendo website. The electronic manual is available in PDF format on the Nintendo website.

IMPORTANT: Please read the separate Important Information Leaflet.

CONTROLS

Note: Actions written in **blue** can be used in locations like dungeons, Post Town or Paradise.

Switch Touch Screen display

Discover a Magnagate!

This mode uses the outer camera (R) of the Nintendo 3DS/Nintendo 3DS XL system. Move your system to aim at a round object near you and then press A. If you are successful, a Magnagate (the entrance to a dungeon) will appear. Try it with all kinds of round objects around you, like dinner plates, juice glasses, or coins!

Note: This mode will be unlocked as you progress through the game.
