

Making Mii Characters

The steps below apply to creating or editing a Mii™. You can edit any Mii you created in the town hall or that Mii character's room. Don't forget to set the relationship to your own Mii for each Mii!

1. Make a Face and Body

Want to make the perfect likeness? Try exaggerating the real person's features a bit!

Add glasses, moles, etc.

Adjust size settings.

Move, resize and rotate features.

Take a photo and create a Mii based on that.

2. Fill in the Profile

If you set Copying to ALLOW, other players will be able to edit this Mii if you send it to them.

Their name on the island.

Their birthday affects compatibility and other features.

Give clothes and other presents to make it look even more like the real person!

3. Select a Voice

4. Add a Personality

Finished!

Personality
 Leader: Outgoing
 Character: Spontaneous, inquisitive and excitable.
 Goes with the flow, optimistic.

Buddy

 Always able to turn any problem into something fun.

Now you get to see an analysis of their personality type.
