

PIKMIN™

Yellow Pikmin – Head

Suggested Paper Size: 20 x 20 cm

Additional: Eyes

Cut these out for assembly – be careful with scissors!

Fold along with this video guide! <https://youtu.be/5-Hndket7Jk>

1 Fold in half both ways, lining up corners and creasing.

2 Fold in left and right corners, lining edges up with center crease.

3 Fold top tip down to bottom tip, crease then open.

4 Fold top tip down to the center of crease created in Step 3.

5 Flip the paper over.

6 Fold flat edge of top-left corner to align with crease created in Step 3, then crease and unfold.

7 Fold top-left corner to the right, aligning the crease from Step 6 with the right edge. Crease and open.

8 Repeat Step 6 on the right-hand side.

9 Repeat Step 7 on the right-hand side.

10 Fold bottom tip up along the horizontal crease from Step 3.

11 Fold top tip left to meet far-left corner, crease and open.

12 Repeat Step 12 to the far-right corner.

13 Open gap at white arrow and use existing creases to collapse front panel in to the right.

14 Fold right side in so far-right corner meets edge of front flap, crease and open.

15

Fold right-hand corner back along the red line shown, crease and then open.

16

Open gap at white arrow and use existing creases to collapse right-hand side down to meet bottom edge. Crease firmly.

17

Fold top-right corner in along existing crease so it falls behind the long pointed flap.

18

Fold front flap corner in to meet the exposed edge.

19

Fold front flap along the blue line shown (where the edges met in Step 18).

20

Open gap at white arrow and fold front panel to the right along the blue line shown...

21

...then open the front panel and press flat.

22

Open gap at white arrow and use existing creases to collapse left-hand side across to the right.

23

Fold left-hand corner to meet the point on the right side shown.

24

Repeat Step 15 on the left-hand panel.

25

Repeat Step 16 on the left-hand panel, collapsing down to the right.

26

Fold top-left corner in along red line shown, then open and use existing creases to collapse it in on itself.

27

Repeat Step 18 on right corner of front flap.

28

Repeat Step 19 on right edge of front flap.

29

Repeat Step 20 on the front flap...

30

...then open the front panel and press flat.

31

Fold right side of front panel in parallel to the edge, then crease and open.

32

Repeat Step 31 on the left side, but don't open.

33

Fold right side back in along crease from Step 31.

34

Flip the paper over.

35

Fold the left, right and bottom tips of the front panel to the back.

36

Fold the bottom left and right corners of the side panels to the back.

37

Gently pinch the top point to create a peak along the central vertical crease.

38

You're done!

Yellow Pikmin Assembly

Additional: Flower center
Cut this out for assembly –
be careful with scissors!

Glue on the eyes.

Glue the flower to the top of the head.

Glue the flower center
to the middle of the flower.

Use the same size paper for head and body.
Apply glue to point shown and attach head to body.

You're done!

Suggested Paper Size: 10 x 10 cm

Fold along with this video guide! <https://youtu.be/5-Hndket7Jk>

1 Fold in half both ways, lining up corners and creasing.

2 Fold all four corners into center.

3 Unfold the top flap.

Make sure the paper used for the flower is 1/4 the size of the paper used for the Yellow Pikmin head.

4 Fold the paper in half vertically.

5 Fold top tip down along blue line to align with right-hand side, then open.

6 Open vertical fold from Step 4.

7 Pinch horizontal center crease, lift and align edge with point of V-crease, then crease.

8 Fold in half vertically to the rear (a 'mountain fold').

9 Fold top tip down to meet right-hand point shown, crease and open.

10 Open paper at white arrow, squeezing gently and using creases to fold top tip into bottom-right corner, then press down flat.

11 Fold bottom-right point up along diagonal crease to top-left.

12 Fold bottom-left point up along diagonal crease to top-right.

Annotations Key	Valley (inward) Fold	Widen Gap / Pull Out	Flip Over / See Back Side
	Mountain (outward) Fold	Important Points	Enlarged View
	Guide Line		

13

Open front panel and crease along blue line, ensuring top point is exposed as shown.

14

Open top gap at white arrow, using existing crease to move top point to the right.

15

Open top gap halfway at white arrow.

16

Carefully use existing creases to squeeze top tip to form a triangular petal shape.

17

Flip the paper over.

18

Carefully fold the left and right corners inwards along the blue lines shown, but don't crease them down.

19

Open and gently fold the left and right corners so the inside is exposed (this can be tricky!).

20

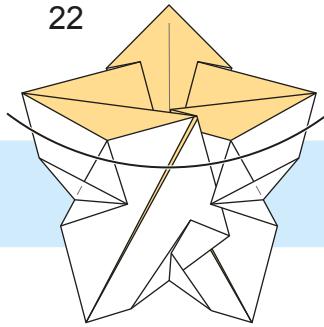

Repeat Step 18 on bottom-right front flap point (don't crease it down).

21

Repeat Step 19 on bottom-right front flap, opening to expose inside and then crease (this can be tricky!).

22

Now let's focus on the top part of the flower!

23

Fold top left and right corners of middle section in a small amount.

24

Repeat Step 18 on top left and right corners of the middle section (don't crease them down).

25

Repeat Step 19 on top left and right corners of the middle section, opening to expose inside and then crease (this can be tricky!).

26

Fold the top three outer points inward a small amount, and the bottom two points in slightly more.

27

Flip the paper over.

28

You're done!
