

Additional: Eyes

Cut these out for assembly – be careful with scissors!

Fold along with this video guide! <https://youtu.be/t3VU5Nzi0pg>

1 Fold in half both ways, lining up corners and creasing.

2 Fold in left and right corners, lining edges up with center crease.

3 Flip the paper over.

4 Fold right corner in toward center.

5 Fold bottom tip up to meet top.

6 Lift left flap and fold down, lining upper edge up with center.

7 Fold right-hand corner into center, crease then open.

8 Fold right-side front in, parallel to edge. Don't fold the lower part all the way down!

9 Fold right-hand corner back in along the dotted line.

10 Unfold the folds from Steps 8 and 9.

11 Open up top flap and lay bottom part flat.

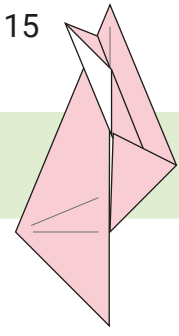

12 Fold right flap back to crease created in Step 8.

13 Lift bottom part back up and fold over.

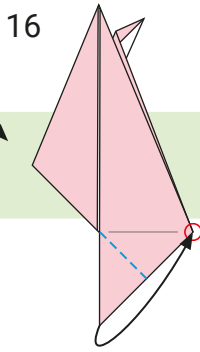

14 Redo folds from Steps 8 and 9.
