

Adicional: olhos

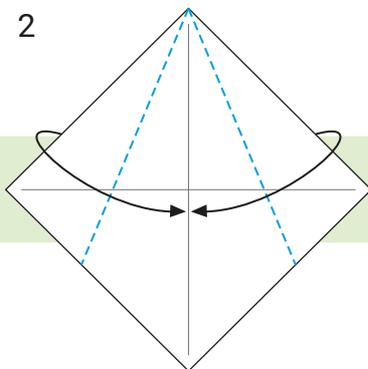

Corta-os para a montagem.  
Cuidado com a tesoura!

Vai dobrando enquanto acompanhas este vídeo instrutivo! [https://youtu.be/zhgu\\_VN4MsM](https://youtu.be/zhgu_VN4MsM)

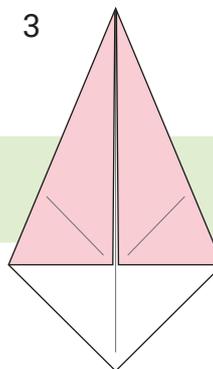

1

Dobra ao meio nos dois sentidos, alinhando os cantos e os vincos.

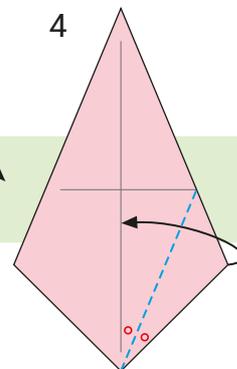

2

Dobra o canto esquerdo e o direito para dentro, alinhando as bordas com o vinco central.

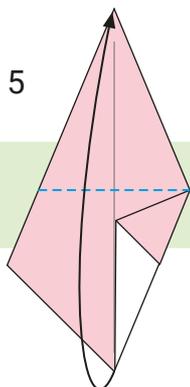

3

Vira o papel.

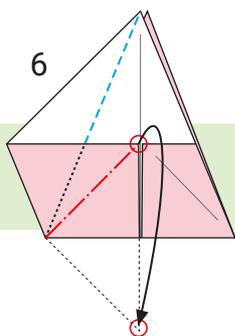

4

Dobra o canto direito para o centro.

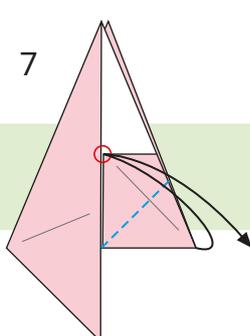

5

Dobra a ponta inferior até esta tocar no topo.

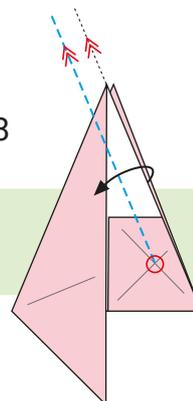

6

Levanta a aba esquerda e dobra para baixo, alinhando a borda superior com o centro.

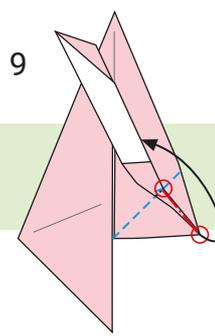

7

Dobra o canto direito para o centro, vinca e abre.

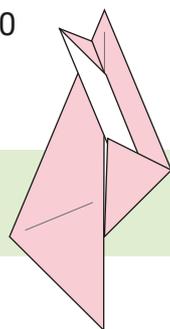

8

Dobra a frente do lado direito para dentro, paralelamente à borda. Não dobres a parte inferior totalmente para baixo!

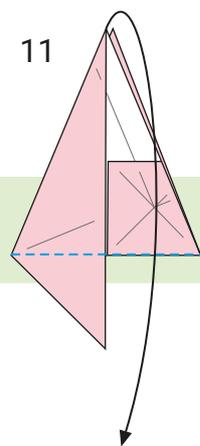

9

Dobra o canto direito para dentro, ao longo da linha pontilhada.

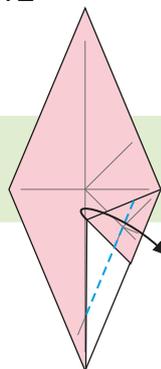

10

Desdobra as dobras dos passos 8 e 9.

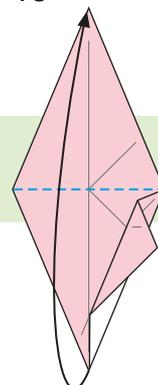

11

Abre a aba superior e desdobra a parte inferior.

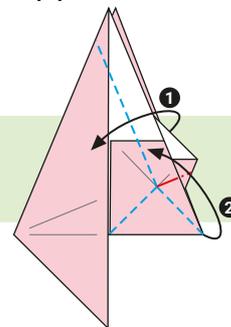

12

Dobra a aba direita para o vinco criado no passo 8.

13

Levanta a parte inferior e dobra para cima.

14

Volta a fazer as dobras dos passos 8 e 9.
